pre-1978 registrations

The following is a list of pre-1978 registrations which have not appeared in an earlier issue of the Catalog of Copyright Entries. *These works are assigned registration numbers in the classification system in use in the Copyright Office before January 1, 1978.*

Arrangement is by title, with an index of claimants. Each issue registered is recorded under the main title of the periodical. Filing is letter by letter, except in the case of inverted names which are filed up to the comma or parentheses, after which letter by letter filing is resumed. Some elements of information described in the Introduction to this part of the Catalog of Copyright Entries *are not included in the entries for pre-1978 registrations, and ISBD (International Standard Bibliographic Description) punctuation is not used.*
